Dear Mr. Baza:

We are pleased to invite you to Kennecott Utah Copper and Kennecott Land's second joint stakeholder forum to be held on November 19<sup>th</sup> at the Rio Tinto Regional Center in South Jordan.

Shortly after we met last year, the global economic downturn began and challenged Rio Tinto globally and locally in late 2008 and 2009. Both Kennecott Utah Copper and Kennecott Land were impacted and had to make important changes to weather the difficult times.

Despite the unique nature of the times in which we are operating, we remain committed to our community commitments and our approach to sustainable development, which integrates economic, social and environmental considerations into our decision-making process within a clear framework of good governance.

At our second stakeholder forum we would like to continue our discussion with you. This event gives us the opportunity to update you on our activities and plans for the future. It also gives you the opportunity to provide important feedback about how our business interacts with you and the community.

We look forward to your attendance at the second joint stakeholder forum.

November 19<sup>th</sup>  
1:00 pm – 3:00 pm  
Rio Tinto Regional Center, 4700 Daybreak Parkway, South Jordan

Please confirm your attendance by November 10<sup>th</sup> by contacting Lesli Smith at [lesli.smith@riotinto.com](mailto:lesli.smith@riotinto.com) or 801.204.2913.
